Applications/limitations

- This Certificate only relates to machinery safety. Other directives, covering other phenomena, also having requirements related to CE-marking, might also apply

Technical File

The following documentation formed the basis for the assessment:

Document No.	Name/Title	Version/Date
37880027	Produktmanual Låglift Mini 1000-1200	Ver. 2010/2010-08-16

Terms and conditions

The certificate is subject to the following terms and conditions:

- In case of damages caused by defective products, directive 85/374/EEC, as amended, will apply
- The Certificate is only valid for the product(s) listed above
- The Certificate is concerned with the design of the product, only

Certificate No.: 83213-2010-CE-NOR
 Project No.: PRJC-241272-2008-PRC-NOR
 Place and date: Bergen 15.06.2016
 Revision no.: 1

The following may render this Certificate invalid:

- Changes in the design or construction of the product(s)
- Changes or amendments to the referenced directive(s)
- Changes or amendments in the standard(s) which form the basis for documenting compliance with the essential requirements of the directive(s)

Conformity declaration and marking of product

In order to fully meet with the requirements of the Directive and legally affix the CE mark, the manufacturer must take all measures necessary to ensure that the manufactured product complies with the technical documentation and with the requirements of the Directive and finally draws up an EC declaration of conformity.

END OF CERTIFICATE

[Faint, illegible handwritten or stamped text]
